Due to the guests present it was decided to begin with new business.

NEW BUSINESS:

CHAMBER OF COMMERCE: Peter Hamilton spoke for the Neighborhood Watch Program recapping on the current increase in unacceptable juvenile behavior, vandalism and other areas of concern which were addressed at the Neighborhood Watch presentation on October 13th, 2016. He introduced the idea of implementing a curfew in the Village of Sherman and explained that curfew laws in other communities had significantly reduced juvenile delinquency. He asked the Board to consider implementing a curfew.

Mr. Raven asked what would happen to the curfew if the Village dissolved. It would continue at the discretion of the Town. Mr. Irwin mentioned that the curfew wouldn't be an overnight fix. He explained that Brocton contracts a deputy to be present in their village Friday and Saturday evenings to catch unruly kids. Also, the deputy's presence is a big deterrent. Mrs. Rater added that the curfew allows any citizen to report any suspicious behavior.

Mayor Patterson said that Undersheriff Holder had told him that the curfew in Brocton had been exceptionally effective in curbing the undesirable juvenile behavior. Mayor Patterson had copies of the necessary documentation to implement a curfew law into the municipal government here in Sherman. He said he was in favor of the curfew and asked the Board to support it. It was agreed that the Board would look over the documentation and vote at the next Board meeting.

DENNIS SWEATMAN was disappointed that Mayor Patterson had reportedly said that the town wouldn't be able to assume the work of the village without loss of services. Mayor Patterson responded that in his opinion it was a possibility, and Mark Persons had said that services would be sacrificed. Mr. Prenatt quoted Mark Persons saying "I've been staying out of this, but I really believe that services will need to be cut if we go ahead with this" from the public meeting in August 9th, 2016.

Mr. Sweatman queried why Mayor Patterson had said that the taxes are going to increase every

year over the next 5-6 years, and the village people won't see any of the \$75,000 aid. He added that if the dissolution goes through everything will be town wide. That means the \$75,000 goes to all the tax payers. Mrs. Higginbotham recited that the New York State Law stipulates that "at least 70% of the aid shall be used as direct property tax relief while the remaining amount may be used for general municipal purposes." Mayor Patterson suggested that Mr. Sweatman speak to Mark Persons personally. Mr. Sweatman reiterated that he'd appreciate it if the Town employees were left out of the paper. Mayor Patterson replied that he hadn't meant to. He had only mentioned the clerk's duties.

Mr. Prenatt explained that anything said in a public meeting was reportable and if someone shares their opinion, it is reported as such. So when Mayor Patterson shared his opinion it was reported as his opinion. So just be aware that if you say something at a public meeting it's reportable.

INFORMATIONAL MEETING: Jim VanVolkenberg mentioned that he'd heard we were having an informational meeting. Mayor Patterson explained that we planned to hold another public meeting before the vote where people could have their questions answered. Trustee Higginbotham asked who would be answering their questions. She said that since Mayor Patterson had said he didn't want to have anything more to do with the dissolution, the village shouldn't hold the public meeting. It should be a private meeting. Trustee Reyda differed saying that the petition forced our continued involvement, and we owed the people another chance to have their questions answered before the referendum. Trustee Higginbotham said we should have Paul Bishop back since he did the original study. Mr. Irwin reminded us that Paul Bishop had said he couldn't go any further with us without further study. Also, there would be a cost if Mr. Bishop were to participate. It was decided to hold an additional informational meeting and invite Christopher Grant.
